OUR DEALERS

BOURSE TABLES — SANTA BARBARA CONVENTION

Have you ever stopped to think that we owe quite a debt of thanks to our dealers? It is true that they owe us collectors a few thanks as well, but too often we feel that because by our patronage we give them a living we owe nothing in return. Not so, however.

In the first place we should be grateful for the part they play in gathering together the coins we want, and which, but for such a source we would seldom, if ever find. But that is only one of the many things our dealers do and which we too often take for granted. When the program chairman gets stuck for a speaker, who does he turn to? Some dealer friend, who can always be depended on to show some coins

TENTH CONVENTION SET FOR SANTA ROSA IN APRIL

The weekend of April 4, 5 and 6 has been set by the committee for the 1952 Spring convention, preliminary plans for which are well under way. Edward Fogler, general chairman, announces that the Hotel Santa Rosa will be headquarters for this 5th anniversary meeting of the California State Numismatic Association.

"The Redwood Empire Coin Club is enthusiastically entering into plans for the convention," says Chairman Fogler, "and promises to make every person who comes remember their visit to Santa Rosa."

Ample bourse and display space is assured and the lighting will, of course, be of the best. Hotel rates are announced as being $4.00 for a single room: $5.50-$6.00 for a double and $7.00-$8.00 for a double with twin beds. Full information and reservation blanks will be mailed at a later date.

Committee chairmen are named as being Robert Hetland, Santa Rosa, assistant general chairman; Rudy Gjurovich, San Jose, sergeant-at-arms; Robert G. McArthur, Oakland, registration and finance; Roy Hill, San Francisco, exhibits; Frank Galvin, Oakland, bourse; Dr. N. A. Bowers, Atherton, awards; Everett S. Ostrom, Kingsburg, auction; Ken P. Allen, Alameda, entertainment; Mrs. Ken P. Allen, ladies' party.

The auction will be by Wittlin's of Carmel.

and talk about them. When door prizes are needed, who donates? The dealer, of course. When the club bulletin needs an ad, who comes thru? You guessed it. The local dealer.

While the CSNA is a collectors' organization, in that the direction of its affairs is in the hands of collectors and not dealers, we nevertheless owe a great debt of thanks to our dealer members. In the early days of our organization we conducted our own auction sales at our first few conventions. Several of our dealers donated generously and gratuitiously of their time and efforts in conducting the auction and in assembling, grading and listing the material, and even in providing some from their own stock when necessary. Since then, several have taken

OBITUARY

J. R. Stewart

With the death on December 27th of J. R. Stewart, the California State Numismatic Association lost one of its founding members and strong supporters. He attended the organization meeting at Santa Barbara on February 22, 1947, and served on the board of directors from 1948 to 1950.

JR, as he was affectionately called by all who knew him, was a past president of the Orange County Coin Club and held membership in the ANA as well as several other local clubs. Until his health began to fail about a year ago he seldom missed a meeting, and the genuiness of his greeting and warm smile endeared him to all with whom he came in contact.

He was born in New York in 1876, came to California in 1895 and for many years was inspector for the State Department of Agriculture at Chino. He was a past president of the Chino Rotary Club. He is survived by three children, ten grandchildren and twenty-five great grandchildren.

A Letter To The Editor

December 24, 1951.

Dear Editor:

I am accusing you, accusing of complacency. Just after publishing the letter of gloom about infantile mortality of young collectors in the September issue of Calcoin News, you feel quite satisfied with the "Tops" Convention of Santa Barbara in November and your optimistic yuletide spirit indulges in those two happy pictures illustrating the present issue. Isn't it comforting to see this row of dealer's cases admired and prosperous, a true image of the professional trade supporting the hobby and isn't the child of this marriage a symbol of hope and of the future? This cute boy will certainly be a collector in the years to come.

Or will he? How long will he live, numismatically speaking? Chances are that not more than a couple of years and after the quarters and dimes of his weekly allowance have been "taken" from him, somebody somewhere will have a few dollars more and the collectors fraternity one member less. But who cares. Certainly not the professional trade which supports the hobby like the hangman's cord supports the corpse. Believe me, I know it because I am from the professional trade and not too proud of it either. Some of my colleagues are my best friends, but there are others.

Don't blame the cat for killing birds, it's her instinct.

Don't be too hard on the dealer for trying to make a living by any means in a market where the law of the jungle prevails and where he must compete with semi-dealers, pocket dealers, investors, speculators and those "collectors" who deal occasionally but daily, have no expenses and don't pay taxes.

Don't count on the dealer's organization either. The half defunct ACDA, founded to improve ethics, had her founder expelled from the ANA; and the Dealers Guild is a Club with the avowed purpose of defending coin dealers against the treachery of amateurs.

Don't blame the ANS whose mission is to study or the ANA whose mission is to publish the Numismatist and to hold Conventions.

Do blame the regional Associations, the local Clubs, every older and honest collector, do blame yourself. Coins are only dead, metallic discs, but to collect them you need humans and too much has been done for the coins and too little for the man. The greatest care is taken to preserve coins, nothing is done to preserve collectors. To make and to preserve a collector you must talk to him, to make him understand you

must understand him first. You must know why somebody is starting to collect, his background, his culture, his means. For lack of any of those qualities you may be even compelled to suggest that he should stop collecting, as he would drop out anyhow — but if the subject is found to be adequate, a protective fence should be built around him like around a young tree. He must be instructed, warned, helped with samples and suggestions, encouraged. All this can be done only on the local level, only another private collector can be his teacher, only a local Club can be his school, only a regional Association and their Conventions can be his College. Many things can be said, which can't be written, and less printed. Every starting ANA, or CSNA or Club member should get a sponsor, who not only signs his application for admittance, but who also helps him to overcome the first steps and can tell him what he can't find to read in any book on the subject. The trustworthiness of the sponsor must be above any possibility of doubt and a sponsor can't ever be a dealer. To be acceptable as a sponsor must be an honor accorded by a Club and a Sponsor should know that he is in order to GIVE, time, advice, moral support and receive as recompense thanks only. His greatest achievement would be to gain the beginner's friendship and trust.

Each Coin Club should accord free membership for the first year to anybody who joins, should have a lending library available to those yearlings only, should have a small set of coins of all kinds of condition to serve as standard of comparison for those who learn.

The Coin Clubs should elaborate some program, intercommunicate between them, adopt some method, not necessarily the same for each locality, until the best way is found. The Coin Clubs should try all this on a regional basis, disregarding the fact if they are or are not members of the Regional Associations (like the CSNA); the Regional Associations should operate together in the frame of the ANA.

Besides the "prevention" methods as outlined through the instructions given by the sponsors and in the Club meetings some Control or restraining methods on the bad wolf which always existed and probably always will should be tried. Hundreds of samples on how to proceed exist. Based on the principle of voluntary acceptance of control, disregarding how large or small a dealer may be, some way borrowed from the system of certified public accountants, Better Housekeeping Bureau, the Czar in Football or the Movie Censorship, should and could be found. The label "controlled" would be the only recompense. It would I am sure, meet a strong opposition at the beginning, be adopted in the end.

The greatest difficulty is not the probable resistance of some dealers, not the difficulty of finding a method or individual sponsors—but the inertia of those who by accepting presidencies or membership of the Board contract moral obligations with the Hobby. Just as everybody in Mark Twain's opinion talks about the weather but does nothing about it, just the same, I think, that it would be easy for me to convince anybody who acts in good faith, like you for instance, but to bring him from talking to action would be much harder.

That is the reason why I put a part of the blame on you too.

Sincerely,
Paul H. Wittlin.

on the auctions as their own ventures and have made the auctions an important part of our conventions.

Several dealer members have acted as chairmen in charge of arrangements for conventions, and at every convention one or more dealers devote time and effort to some committee assignment. Not the least contribution they have made to our conventions has been the taking of bourse space. Sale of bourse tables has often been the difference between showing a profit or a loss. It will be said, of course, that the dealer derives a profit from his sales during the convention, but it is doubtful whether many of the dealers do more than cover expenses, the real benefit they get being the contacts they make there; and some

Who's Who In California Numismatics

CHARLES D. KISER

A native son, Charles D. Kiser was born at Tustin on May 3, 1915, and with a but few exceptions, his whole career has revolved in an orbit of just a few miles of that small suburb of Santa Ana. He attended Tustin High School and Santa Ana City College, worked at a bank in Santa Ana before being called into the military service, a good portion of which was spent at Santa Ana and Santa Monica. He married a Santa Ana girl, lives at Santa Ana and is now cashier of a bank at Costa Mesa.

Kiser is the son of Dudley C. and Alice R. Kiser of Tustin. He has one sister, Barbara Graham, living in Phoenix, Arizona. A natural athlete, he earned sixteen letters out of a possible eighteen in high school, competing in football, basketball, track and softball. In addition, he was president of the student body in his senior year. Graduating in 1933, he enrolled at Santa Ana City College from which he graduated in 1936.

He immediately began his banking career as bookkeeper at the Santa Ana branch of the Bank of America which was interrupted by his tour of military service which began at Fort Knox, followed by duty at Camp Cooke, Santa Ana Army Air Base, and Santa Monica Air Force Redistribution Center. He was discharged in 1945 with the rank of master sergeant.

On August 21, 1942, he was married to Justine Madden of Santa Ana. In February, 1946, he took a position with the First National Bank of Santa Ana, being assistant cashier when he resigned in August, 1951, to become cashier at the Costa Mesa Bank.

He is one of the many coin collectors who began with stamps. "I collected stamps as a boy," he says, "but when in the sixth grade my grandfather gave me some old American coins. My interest was aroused and I gradually shifted my collecting to coins. I now have a very general collection, but I particularly like U.S. coins not now being minted such as twenty-cent, three-cent, and two-cent pieces. I also like South American dollar-sized coins and gold coins of all countries."

Perhaps the most interesting item in his collection, he states, is a bank draft in the amount of $250.00 dated May 24, 1798, and endorsed on the reverse by General George Washington.

Kiser has always been active in numismatic organizations. He is a member of the ANA, CSNA (of which he was vice-president in 1949-50), is a past president of the Orange County Coin Club, honorary member number one of the East Bay Coin Club, charter member of the Garden Grove Coin Club and Long Beach Coin Club, and is also a member of the Bay Cities Coin Club and the San Diego Numismatic Society.

NAMES IN HISTORY

By DR. C. GLENN CURTIS, Brea

Editor's Note: Dr. Curtis, one of the best known collectors in Southern California, has shown his series of slides to many clubs. The sketches below are taken from his notes or comments on the coins as he shows them.

* * *

DARIUS THE GREAT

This rather odd shaped gold coin, called a "Daric" is the first coin shown in the Bible. It was struck by Darius the Great who reigned

B. C. 521-485

over Persia between 521 and 485 B.C. It was under Darius the Great that the first canal was dug from the Nile River to the Red Sea. It was under Darius the Great that trade was established throughout the whole of the then known world, and it was because of trade that he had coins cast, such as the one you see pictured before you. It was Darius the Great, a worshipper of Zoroaster, who, in his desire to gain the good will of subject nations, allowed the Jews to build the Temple of Jerusalem. It was Darius the Great who had carved on a rocky mountain in Persia the whole history of his empire; and it was only a hundred years ago that modern man was able to decipher these writings to gain a full history of that remarkable race of ancient Persians who lived 500 years before the time of Christ. Front of the daric shows Darius the Great in a kneeling position, holding a scepter. The back of the coin shows an "oblong incuse" as the numismatists call it. This is merely a particular design struck or stamped in the metal.

JULIUS CAESAR

The man shown here on this beautiful gold coin was Julius Caesar, one of the greatest of all Roman emperors. As most of you know, the Roman word "caesar" means emperor and that is why we have several caesars such as Julius Caesar, Augustus Caesar and so on. The word "caesar" is also the pappy word for "kaiser" and "czar". Julius Caesar, who was murdered in 44 B.C.,

really made history in his 58 years on earth. You are all familiar with his expeditions to Gaul and Britain, his ceaseless wars, his dictatorship, his death by stabbing and the famous oration over his body by Marc Antony which was dramatized by a country boy named Bill Shakespeare.

On the front of the coin Julius Caesar is wearing a veil. On the reverse are various letters, dotted border, jug and what looks like an American Indian's peace pipe.

Election of officers for 1952 resulted in the following: President, Mr. K. J. Older; Vice-President, Mrs. Thelma Case; Secretary, Mr. C. G. Kimerly; Treasurer, Mr. Harry S. Davidson; Board of Governors, Mr. Ben Schwartz and Mr. James Miladin.

Col. Steele commented on and displayed a very beautiful collection of Mexican Pesos.

Following the election of officers, the meeting was turned over to Mr. Hawley who conducted the singing of Christmas Carols, with Mrs. R. G. McArthur giving a beautiful rendition of "O Holy Night".

Santa Claus (Frank X. Galvin) then distributed gifts to all the members and guests, after which punch, sandwiches, cookies and coffee were served and another year of numismatic achievement was completed by the East Bay Coin Club.

—Antoinette Connell, Secretary.

LONG BEACH COIN CLUB. — The 15th and 16th meetings of the Long Beach Coin Club were held on the third Tuesday of each month, being September 18 and October 16, at 951 Locust Street, Long Beach, Calif. The meetings were called to order at 8:00 p.m.

At the meeting of September 18, Mr. Larson gave us a very instructive talk on coin collecting, entitled, "You Live Longer With a Hobby." Mr. Mills then told us about a dream in which he had purchased, in 1914, 1,000 rolls of 1914 D cents, and then resold them to various collectors at their present value — with Uncle Sam as a partner!

At the meeting of October 16, Sol Alexander gave us an interesting talk on Mexican coins, and of early South American and Mexican mints which were established in the early 15th century.

Adolf Larson of the Los Angeles Coin Club, John C. Yribarne of Long Beach, Harry Davidson of Bay City, and Joe Steele of Garden Grove elected Joe Block as General Committeeman for the combined annual banquet sponsored by the above named coin clubs. The following individuals have been invited as guests of honor: Lew Panosh by the Long Beach Coin Club, Ralph (Curly) Mitchell by the Los Angeles Coin Club, and Herb Bergen by the Bay Cities Coin Club.

—John C. Yribarne, President.

LOS ANGELES COIN CLUB. — The 275th meeting was called to order by President Boggs who made an excellent recapitulation of the past year's activities, paying tribute to the members who had spoken during the year and shown coins. Mr. Adolph Larson, chairman of the nominating committee, then presented his slate of officers, except for president, which he stated had not been accepted by those to whom it was offered. Mr. Boggs then offered the name of former President Larson for that office which was accepted, and there being no further nominations, the slate was elected as presented, being:

Adolph Larson Jr. .....President
William D. Koonce.....Vice-President

Lloyd W. Nelson.....Treasurer
Vreeland H. Fraser.....Secretary

The members were called to their feet to stand in silence for a minute in tribute to the memory of our friend and member Duke Watson who had passed away recently.

Displays were made by Mr. Vreeland Fraser, Mr. Michael P. Carey, Mr. Jim Miladin and Mr. William D. Koonce, whose display was accompanied by large photographs of Roman and Greek sculptures and carvings illustrating the difference between the two cultures. The Romans obviously tried for true realistic character of the individual in facial character lines, while the Greeks were more interested in the artistic balance between curvilinear design and the curved frame of the planchet.

The meeting was closed with an auction conducted by Mr. Larson.

—William D. Koonce, Secretary.

ORANGE COUNTY COIN CLUB. — The 161st regular monthly meeting of the Orange County Coin Club was held Wednesday, October 24, in the Brea Woman's Clubhouse with President Rich presiding. Sixty-seven members and guests were present at the meeting.

Three new members were admitted to the club. Two of the new members were juniors who are making an early start in coin collecting.

Featuring the program for the evening was Kenneth W. Lee of Glendale, who gave a most interesting talk on Medals and Decorations. He traced the custom of decorating persons as a mark of recognition for deeds of destinction or extraordinary services back to early European and Oriental civilizations. The ancient Greeks and Romans made much of ceremonies at which they crowned their heroes with wreaths of laurel. These wreaths became a symbol of honor and we still have them displayed on medals and decorations to this day.

Exhibiting the well-known Purple Heart medal, given as a military decoration to American soldiers, the speaker explained that this was the first American medal issued and that it was originated by General George Washington during the Revolutionary War. It was not used again until World War II.

In conclusion, the speaker pointed out that many of the most important medals have little intrinsic value. As an example he cited the Congressional Medal of Honor whose appearance is rather common. The value of this medal rests in what it represents, devotion to country beyond the call of duty. It is not the medal itself, but what it stands for, that makes the study and collecting of these items so intresting.

Election of officers at the meeting of November 28 resulted as follows:
President.....Dr. C. Glenn Curtis
Vice-President .....Arthur H. Shipkey
Correspond. Secty. ....Herbert Bergen
Membership Secty. .....Joe Steele
Treasurer .....John Haldiman Jr.
Directors .....Dr. Verner G. Rich, Dr. Calvert L. Emmons, Fred E. Draper, Harry S. Davidson
Librarian .....Vreeland H. Fraser

—Herbert Bergen, Secretary.

SAN BERNARDINO COUNTY COIN CLUB. — The 40th meeting was held at the San Bernardino Chamber of Commerce on October 18 with 18 members and guests present. Dr. Emmons made a report on the annual banquet held in September and also spoke about the CSNA convention to be held at Santa Barbara in November, urging those present to attend if possible. The ANA slides on Colonial coins and paper money were shown and proved to be very interesting. Such items as parchment bills, hand-written bills, bills signed by signers of the Declaration of Independence, the Pine Tree Shilling, Bar Cent, Rosa Americana coins and others are almost never seen, and this opportunity to see these slides showing these rare coins is a privilege for which we are grateful. The meeting closed with an auction.

The 41st meeting was held in the usual place on November 15. Business of the meeting was rushed thru so that we could devote full time to viewing the ANA slides on Confederate currency. We were fortunate in having as a guest Mr. J. D. Wood, a local authority on Confederate articles, and he was able to throw many interesting and humorous sidelights on the pictures as they were shown. We are grateful to the ANA and to Mr. Smedley for the fine work they are doing in making these fine slides available to local clubs.

—Bryan Burke, Secretary.

SAN BERNARDINO COUNTY COIN CLUB. — The 42nd meeting was held on December 20 with election of officers resulting in the following being elected for the ensuing year:

President .....Bland Haydon
Vice-President .....George Riggen
Treasurer .....Opie Arnold
Corresponding Secty. .....Fred Coops
Recording Secty. .....Bryan Burke Jr.

Topic of the evening was currency of the United States, with many displays of currency by members being shown. The evening closed with an auction and drawing for door prizes.

—Bryan Burke, Secretary.

SAN DIEGO NUMISMATIC SOCIETY. — The 175th meeting of the club, held at Dartlee Hall on December 3, was called to order by Vice-President James Crouthamel. Thirty-five members and visitors were present, among them being Edward Fogler from San Francisco who introduced himself as a traveling salesman for the CSNA. Mr. Fogler, who is chairman in charge of arrangements for the spring convention of the CSNA to be held in Santa Rosa in April spoke briefly on plans for that meeting.

Dr. Ray Wilson, chairman of the nominating committee, presented the slate selected by the committee, which, there being no nominations from the floor, was duly elected. They are:

James Crouthamel .....President
Arthur J. Vigneault ....Vice-President
Paul Boltz .....Treasurer
Mrs. L. C. Panosh.....Secretary
Dr. Ray H. Wilson..Librarian-Curator
T. W. Ward.....Historian
A. L. MacDonald.....Board of Gov.

Dr. Bruce L. Wallace, chairman of the committee in charge of arrangements for the annual dinner meeting, announced that the dinner would be held in the Riviera Room of the U. S. Grant Hotel on Saturday evening, January 26, 1952.

—Eugene D. Johnston.

* * *

SAN JOSE COIN CLUB. — The November meeting was called to order by Vice-President George F. Hodges in the absence of President Anderson who had been called out of the city by business. The club voted to hold a Christmas party on December 15 and Mr. Hodges appointed a committee to make the arrangements. A nominating committee consisting of Joe Pepitone, Sanford Parks and Ira Soper was appointed to bring in a slate of candidates at the December meeting for 1952 officers.

Speaker of the evening was Mr. Vincent Guarnera who related some of his experiences in his many years as a collector in New York and California and showed many specimens from his collection. Mr. Irving Knickerbocker of San Diego was a visitor. He had just attended the meeting of the CSNA at Santa Barbara and gave us some of the highlights of that meeting. Mr. E. R. Rendler made a fine display of Indian Head Cents. The auction closing the meeting was conducted by Sanford Parks.

The December meeting held at the DeAnza Hotel was conducted by President Anderson, who presented the ever popular numismatist, Mr. Ralph "Curly" Mitchell as the speaker. Mr. Mitchell displayed a portion of his large collection of "Odd and Curious Media of Exchange" and entertained his audience for almost an hour with his stories of that phase of numismatics. The election of officers resulted in the following being elected to serve for 1952:

George E. Hodges.....President
John San Filippo.....Vice-President
George F. Kohl.....Secretary
Vincent Guarnera .....Treasurer
Ralph A. Mitchell.....Board of Gov.
Roy Hill.....Board of Gov.

—George F. Hodges.

of the dealers have taken and paid for tables even when they knew that they could not be there.

Our dealers do owe their existence to us as collectors, but we in turn owe them at least our thanks for what they do for us. By their support of our activities and their active participation in our local and state organizations, they have done much to make organized numismatics what it is in California today; and, if their interest has been a selfish one, we, as well as they, have benefitted from it.

OUR SERIOUS ENGLISH CONTEMPORARIES

At long last, RECOGNITION. All of our serious literary efforts to attract the attention of our English brethren having failed, we were pleasantly surprised to read in a recent issue of an English numismatic circular that our poor efforts to inject an element of humor and merriment into one of our meetings and provoking "a great big belly-laugh," had received recognition in the form of a mild rebuke for our lighthearted "childish horseplay."

We are not too sure of the use of the word "boggle", but if it means what we think it does, our English contemporary, who admits that he used such devices up to some years ago, may be sure that our imagination like wise "boggles" at such a prospect.
